

On Top Of The World

If you love somebody
Better tell them while they're here
'cause
They just may run away from you

You'll never know what went well
Then again it just depends on
How long of time is left for you

I've had the highest mountains
I've had the deepest rivers
You can have it all but life keeps moving

Now take it in but don't look down

'Cause I'm on top of the world, 'ay
I'm on top of the world, 'ay
Waiting on this for a while now
Paying my dues to the dirt
I've been waiting to smile, 'ay
Been holding it in for a while, 'ay
Take it with me if I can
Been dreaming of this since a child
I'm on top of the world.

I've tried to cut these corners
Try to take the easy way out
I kept on falling short of something

I coulda gave up then but
Then again I couldn't have 'cause
I've traveled all this way for something

Now take it in but don't look down

'Cause I'm on top of the world, 'ay
I'm on top of the world, 'ay
Waiting on this for a while now
Paying my dues to the dirt
I've been waiting to smile, 'ay
Been holding it in for a while, 'ay
Take it with me if I can
Been dreaming of this since a child

I'm on top of the world.

'Cause I'm on top of the world, 'ay
I'm on top of the world, 'ay
Waiting on this for a while now
Paying my dues to the dirt
I've been waiting to smile, 'ay
Been holding it in for a while, 'ay
Take it with me if I can
Been dreaming of this since a child

And I know it's hard when you're falling
down
And it's a long way up when you hit the
ground
Get up now, get up, get up now.

And I know it's hard when you're falling
down
And it's a long way up when you hit the
ground
Get up now, get up, get up now.

'Cause I'm on top of the world, 'ay
I'm on top of the world, 'ay
Waiting on this for a while now
Paying my dues to the dirt
I've been waiting to smile, 'ay
Been holding it in for a while, 'ay
Take it with me if I can
Been dreaming of this since a child
I'm on top of the world.

Clouds

Well, I fell down, down, down to this
dark and lonely hole.
And there was no one there to care
about me anymore.
And I needed a way to climb and grab a
hold.
Of that edge you were sitting there,
holding a rope.

And we'll go up, up, up, and we'll fly a
little higher,
Go up in the clouds because the view's a
little nicer.
Up here, my dear, it won't be long now.
It won't be long now

And when I get back on land
Well I'll never get my chance.
Be ready to live and it'll be ripped right
out my hands.
And maybe someday, we'll take a little
ride.
And go up, up, up and everything will be
just fine.

And we'll go up, up, up, and we'll fly a
little higher.
Go up in the clouds because the view's a
little nicer.
Up here, my dear, it won't be long now.
It won't be long now.

If only, I had a little bit more time,
If only, I had a little bit more time with
you.

We could go up, up, up, and take that
little ride.
Sit there holding hands and everything
will be just fine.
And maybe someday, I'll see you again.
Go up, up, up and we'll never see the
end.

And we'll go up, up, up and we'll fly a
little higher.
Go up in the clouds because the view's a
little nicer.
Up here, my dear, it won't be long now.
It won't be long now.

Home

Hold on, to me as we go
As we roll down this unfamiliar road
Although this wave is stringing us along
Just know you're not alone
Cause I'm going to make this place your
home

Settle down, it'll all be clear
Don't pay no mind to the demons
They fill you with fear
The trouble it might drag you down
If you get lost, you can always be found
Just know you're not alone
Cause I'm going to make this place your
home

Ooo....

Settle down, it'll all be clear
Don't pay no mind to the demons
They fill you with fear
The trouble it might drag you down
If you get lost, you can always be found
Just know you're not alone
Cause I'm going to make this place your
home

Just know you're not alone.

Anna Sun by Walk the Moon

Screen falling off the door;
Door hanging off the hinges
My feet are still sore;
My back is on the fringes
We tore up the walls;
We slept on couches
We lifted this house,
We lifted this house

Fire-crackers in the east;
My car parked south
My hand on my cheeks;
My shoulder in my mouth
I was up against the wall on the west
mezzanine
We rattle this town, we rattle this scene

Oh, Anna Sun!
Oh, Anna Sun!

What do you know?
This house is falling apart
What can I say?
This house is falling apart
We got no money, but we got heart
We're gonna rattle this ghost town
This house is falling apart!

Screen falling off the door;
Door hanging off the hinges
My feet are still sore;
My back is on the fringes
I was up against the wall on the west
mezzanine
We rattle this town, we rattle this scene

Oh, Anna Sun!
Oh, Anna Sun!

What do you know?
This house is falling apart
What can I say?

This house is falling apart
We got no money, but we got heart
We're gonna rattle this ghost town (2x)

This house is falling apart!

Live my life without
Station wagon rides
Fumbling around the back
Not one seatbelt on
Wait for summertime
Coming up for air
Now it's all a wash
Now it's all a wash

Live my life without
Coming up for air
Now it's all a wash
I want everyone
Racing down the hill
I am faster than you
Wait for summertime
Wait for summertime

Oh, Anna Sun!
Oh, Anna Sun!
Sun!

What do you know?
This house is falling apart
What can I say?
This house is falling apart
We got no money, but we got heart
We're gonna rattle this ghost town (2x)

This house is falling apart (3x)
We're gonna rattle this ghost town
This house is falling apart (2x)
