

Seven Habits

I am Proactive

Choose my actions and my moods

That's what leaders do (hmm, hmm)

That's what leaders do (hmm, hmm)

Plan ahead and set my goals

The End in Mind is how I roll

Cause that's what leaders do (hmm, hmm)

That's what leaders do (hmm, hmm)

Putting First Things First

Make a plan, cause I'm in charge

It's like I've got this goal

In my mind and I know I'm gonna get it right

Chorus

Cause we are gonna learn, learn, learn, learn, learn

And my light is gonna shine, shine, shine, shine, shine

And I am gonna lead, lead, lead, lead, lead

With the Seven Habits, Seven Habits (repeat chorus)

I always Think Win-Win

Choosing alternatives

That's what leaders do (hmm, hmm)

That's what leaders do (hmm, hmm)

Seek First to Understand

Then be Understood

Cause that's what leaders do (hmm, hmm)

That's what leaders do (hmm, hmm)

Synergize together

That makes everything better

It's like I've got this team

By my side saying you are doing fine!

Chorus 2x

Seven Habits, Seven Habits,

Seven Habits, Seven Habits (2x)

Hey, Hey, Hey

Just think while you been getting down with all these habits

It's important to keep one thing in mind

You need to remember to take care of you!

Sharpen the Saw cause Balance Feels Best

Take care of your body and get lots of rest.

And to my friends over there – let's go play

Sharpening my saw helps me learn in lots of ways

Cause we are gonna learn, learn, learn, learn, learn

And my light is gonna shine, shine, shine, shine, shine

And I am gonna lead, lead, lead, lead, lead

With the Seven Habits, Seven Habits (repeat chorus)

Seven Habits, Seven Habits,

Seven Habits, Seven Habits (2x)
